### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: Applicant's claimed cleaning composition comprises surfactants in combination with nano particulate zinc oxide. The prior art does not specifically teach applicants unexpected results as shown in the examples where they demonstrate excellent skin compatibility that is much better than composition without the zinc oxide suspension, good foaming properties during hand washing and good dish cleaning performance.

2. Accordingly, the claims are allowable over the art of record

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
